**Subject:** SDK (Environmental) Ltd / Dial-A-Pest - Congratulations on your UK Living Wage Accreditation

Dear Lorna,

Many thanks for returning the completed UK Living Wage Employer Accreditation Licence. I am delighted to say that SDK (Environmental) Ltd / Dial-A-Pest is now an accredited UK Living Wage Employer. Welcome to the Foundation!

Please read this email carefully as it contains important information about your accreditation and a couple of things we need from you.

- Please find attached the UK Living Wage Employer Mark for use on your materials and website. The attached brand guidelines provide further details.
- 'Making the most of your accreditation' has a few suggestions to get the ball rolling on promoting your accreditation within your organisation and beyond, I hope you find this a useful starting point.
- Please let us know if you have plans to promote your accreditation through regional or sector press activity. If you do not have plans to send a press release we would be delighted to send one on your behalf. Do let us know if this would be of interest.
- If you have not sent us your organisations' logo please do so now. I will add your logo to the employers section of our website. I will also use your logo to order your Living Wage Employer plaque. Please see sample attached.
- I will send you Living Wage stickers, merchandise and plaque in the post. I will order the plaque as soon as I receive your logo artwork, please note that it may take 2-3 weeks to arrive.

I will keep you up to date with events, news and developments from the Living Wage Foundation through our E-bulletin.

If you have any further questions please do not hesitate to get in touch.
